SWIMMING TRIPS POLICY
Please read the following information carefully prior to selecting your child’s swimming designation during registration.

To help ensure the safety of your child while he or she is participating in swimming pool trips this summer, you will be asked if you want your child to take the “Swim Test” or designated as a “Non-Swimmer”. Children who pass the “Swim Test” will be designated by staff as a “Swimmer”. Use the following descriptions as a guide for selecting your child’s appropriate swimming designation.

NON-SWIMMER:
- Non-swimmers have limited or no previous experience with swimming pools or other aquatic environments. They are unable to independently swim distances of 25 yards or more and/or cannot swim or play comfortably in water that is above their heads.
- If you designate your child as a “Non-Swimmer” he or she will be restricted to chest-deep water on swim trips and will not take the swim test.

SWIM TEST:
- To be swim tested, children must have previous experience in swimming pools or other aquatic environments.
- If you designate your child to take the “Swim Test” he or she will be required to pass the swim test. The swim test consists of the following skills, which are based on the American Red Cross Water Competency Guidelines:
  1. Enter the water, going completely under.
  2. Recover then float or tread for 1 minute with head remaining above the water.
  3. Turn completely around and swim on their front for a minimum of 25 yards without stopping or touching the bottom.
  4. Exit the water by pulling self-up and over the side of the pool (not using a ladder or stairs).
- Upon successful completion of the required swim test, children will designated as “Swimmers” by staff and will have full access to all water depths and slides/features in which they meet the proper height requirement. Children who do not pass the swim test will be re-designated as “Non-Swimmers” and are restricted to chest deep water.
- If your child’s swimming abilities change between the time you register for a program and the start of the program, please contact staff as you will need to sign a new profile form.
Summer Day Camp Required Forms

To comply with the state of Maryland’s Youth Camp Standards, the Department of Parks and Recreation requires certain information and forms from its participants. It is the parent/guardian’s responsibility to deliver all completed forms to each program location by the June 1st deadline. Children may not attend any session without completed information and forms on site. NO EXCEPTIONS.

If you have questions or need help before, during, or after registration please call the Customer Service Help Desk at 301-699-2255 or email us at CustomerService@pgparks.com.

• Physician’s name and phone number;
• The participant’s immunization status;
• If there are any health issues staff should be aware of;
• Whether the participant is a swimmer or non-swimmer.

Beginning March 1, there will be an Activity Section available on the PARKS DIRECT registration system to collect this information. Simply register your child for the section titled “Summer Program Participant Information” and answer the required questions. Children may not attend any session without completing this information.

Once you have completed the required participant information, you will be directed to our forms page where you can download and complete the forms they’ll need in order to participate this summer. A complete set of forms must be submitted to each program location your child is attending before June 1. Children may not attend any session without turning in these forms.

These forms may include:

• Participant Profile Form – Required for every Summer Day Camp participant which details basic emergency contact information and liability waiver.
• Summer Day Camp Authorization Form – Required for every Summer Day Camp participant which lists who is authorized to pick-up/drop-off your child from camp.
• Health/Medication Form – ONLY required for those participants who indicated that there is a health issue that staff should be aware of on their Participant Profile Form.

We help campers become aware of two dimensional (2D) and three dimensional (3D) shapes through our fun curriculum! We use shapes to help them improve their number recognition. Your child will be well on his or her way to learning the numbers 1-30 by program’s end. Sign your child up to gain the self-confidence to discover the math wiz within!

Fast track your summer with STEAM power! Sharpen your STEAM (Science, Technology, Engineering, Art and Mathematics) skills! From composting waste to flying drones, campers have a variety of STEAM activities in which to participate as they develop friendships, character, and self-confidence. This camp shows kids that gaining abilities in STEAM are super cool and are practical for real world tasks. Kids problem solve, critically think, experimentally learn, and logically reason their way through multi-themed STEAM content.

Soccer Camp: Children

Do you know the SCORE? Here’s how the numbers stack up... 1 camp to learn soccer skills (dribbling, passing, shooting, offense, and defense) + 1 GOAL to experience the benefits of soccer (fitness, coordination, self-confidence) = 2 much fun! Soccer cleats are not required, but campers should bring a non-perishable lunch, snack, jug(s) of water with camper’s name, and shin guards. Team up with us and SCORE a few goals of your own!

The Musical Theater Intensive is a 4-week summer performing arts intensive focused on musical theater technique and performance, with a rigorous curriculum teaching advanced skills in singing, acting, and dancing. The intensive will end with a Broadway-style production open to the community and family that will be in the evening the last weekend of the program. The day will consist of technique classes in the morning and rehearsals in the afternoon. It will be an ideal summer opportunity for young actors and musical theater performers who have a deep interest in exploring the production and performance process of musical theater at a professional level. All levels are encouraged to join, but it is recommended for immediate to advanced performers. Participants should have a genuine interest in performing and be able to concentrate for long periods of time. A field trip to a local performance is included.

WHAT IS INCLUSION?
Inclusion within The Maryland-National Capital Park and Planning Commission’s Prince George’s County Department of Parks and Recreation means that individuals with disabilities are welcome to participate in the same recreation programs and activities as their non-disabled peers. Reasonable accommodations may be provided to enable an individual’s successful participation in a program. Certain minimum eligibility requirements, such as age and level of participation, must be met in order to participate.

WHAT ARE EXAMPLES OF DISABILITY ACCOMMODATIONS?
Accommodations that may be available to promote successful participation in programs include the provision of an enhanced staff/participant ratio, use of companions, sign interpretation for the deaf and hard of hearing, adaptive activity equipment and/or supplies, accessible transportation when transportation is provided as part of an activity or program, and assistance with health services that do not require medical training.

HOW DO I REQUEST A DISABILITY ACCOMMODATION?
All disability accommodation requests for camps, including extended care, must be indicated on the Health-Medication Form, noted on the individual’s PARKS DIRECT account, and requested at least two weeks prior to the start date of the camp.

WHAT ARE THE MINIMUM REQUIREMENTS FOR SUCCESSFUL INCLUSION?
The same minimum requirements that apply to a person without a disability also apply to a person with a disability. These include:
- Meeting the program’s age and registration requirements;
- Following the rules of conduct (with or without reasonable accommodation);
- Voluntary participation (Note: Recreation programs and activities are voluntary in nature. Participation will be encouraged and aided, but not forced.);
- Meeting necessary level of participation with or without reasonable accommodations (participant will engage in scheduled activities for the majority of the program time);
- Ability to use a consistent form of communication to indicate basic needs and follow simple directions; and
- Ability to function, with assistance, as a member of a group of 12 or more people.

WHAT SERVICES ARE NOT PART OF AN INCLUSIVE PROGRAM?
Inclusion services do not include the following:
- Provision of separate program activities;
- Exception (with or without accommodations) to minimum compliance with program rules and regulations established for safety purposes
- Hiring, selection, or guaranteed assignment of a specific staff member
- Individualized therapy within a program; and
- Provision and/or purchase of personal custom devices

IS AN INCLUSIVE RECREATION PROGRAM THE RIGHT CHOICE AND/OR EXPERIENCE?
Observe the program first-hand and ask yourself...
- If school-aged, do your child’s current classroom activities or goals prepare him/her for an inclusive recreation experience?
- Has the individual shown an interest in the program activity or subject matter?
- Is he/she comfortable and able to function appropriately, with or without assistance, in inclusive environments (malls, restaurants, parks, etc.)?

WHAT ARE THERAPEUTIC RECREATION PROGRAMS FOR INDIVIDUALS WITH DISABILITIES?
The Department of Parks and Recreation in Prince George’s County offers alternative choices (for Prince George’s County residents only) through its provision of specialized therapeutic recreation activities for individuals with disabilities. Patrons have a wide range of abilities and special needs; some prefer and benefit from participating in specialized programs designed specifically for participants with disabilities. For program inquiries, please call the Special Programs Division at 301-446-3400 (voice) or TTY 301-699-2544. Program spaces are limited and available on a first-come, first-served basis.

For appropriate referrals related to eligibility requirements for inclusion services, contact the Customer Service Help Desk at 301-699-CALL (2255), TTY 301-699-2544 or e-mail CustomerService@pgparks.com.
