Summer Day Camp Swimming Policies

SWIMMING TRIPS POLICY

Please read the following information carefully prior to selecting your child’s swimming designation during registration.

To help ensure the safety of your child while he or she is participating in swimming pool trips this summer, you will be asked to designate him or her as a “Non-Swimmer” or “Swimmer” during registration. Use the following descriptions as a guide for selecting your child’s appropriate swimming designation.

NON-SWIMMER:
- Non-swimmers have limited or no previous experience with swimming pools or other aquatic environments. They are unable to independently swim distances of 20 yards or more and/or cannot swim or play comfortably in water that is above their heads.
- If you designate your child as a “Non-Swimmer” he or she will be restricted to chest-deep water on swim trips.

SWIMMER:
- Swimmer must have previous experience in swimming pools or other aquatic environments.
  - If you designate your child as a “Swimmer” he or she will be required to pass the swim test each time he or she visits a pool. The swim test consists of the following skills, which are based on the American Red Cross Water Competency Guidelines:
    1. Enter the water, going completely under.
    2. Recover then float or tread for 1 minute with head remaining above the water.
    3. Turn completely around and swim on their front for a minimum of 25 yards without stopping or touching the bottom.
    4. Exit the water by pulling self up and over the side of the pool.
- Upon successful completion of the required swim test, children designated as “Swimmers” will have full access to all water depths and slides/features in which they meet the proper height requirement. Designated “Swimmers” who do not pass the swim test will be re-designated as “Non-Swimmers” and are restricted to chest deep water.
- If your child’s swimming abilities change between the time you register for a program and the start of the program please contact staff as you will need to sign a new profile form.
Summer Day Camp Required Forms

To comply with the state of Maryland’s Youth Camp Standards, the Department of Parks and Recreation has a form, streamlined process. **Enrichment Camp: STEAM, Children**

Get ready for an educational journey into the supersonic world of STEAM (Science, Technology, Engineering, Arts and Mathematics). Boys and girls will have fun exploring STEAM in small group, age-appropriate, hands-on learning projects. New STEAM projects will introduce kids to robotics, space exploration, mobile app design, and coding. Upon completion, participants will display their hands-on projects to family and friends in a STEAM showcase. Educational instructors will also engage children in grade level math and science concepts to keep academic skills sharp during the summer. Children will have access to the computer lab for technology-infused projects and recreational fun-filled activities, plus swimming and camp-wide field trips.

WHAT IS INCLUSION?
Inclusion within The Maryland-National Capital Park and Planning Commission’s Prince George’s County Department of Parks and Recreation means that individuals with disabilities are welcome to participate in the same recreation programs and activities as their non-disabled peers. Reasonable accommodations may be provided to enable an individual’s successful participation in a program. Certain minimum eligibility requirements, such as age and level of participation, must be met in order to participate.

WHAT ARE EXAMPLES OF DISABILITY ACCOMMODATIONS?
Accommodations that may be available to promote successful participation in programs include: the provision of an enhanced staff/participant ratio; use of companions; sign interpretation for the deaf and hard of hearing; adaptive activity equipment and/or supplies; accessible transportation when transportation is provided as part of an activity or program; and assistance with health services that do not require medical training.

HOW DO I REQUEST A DISABILITY ACCOMMODATION?
All disability accommodation requests for camps, including extended care, must be indicated on the Health-Medication Form, noted on the individual’s SMARTlink account, and requested at least two weeks prior to the start date of the camp.

WHAT ARE THE MINIMUM REQUIREMENTS FOR SUCCESSFUL INCLUSION?
The same minimum requirements that apply to a person without a disability also apply to a person with a disability. These include:
• Meeting the program’s age and registration requirements;
• Following the rules of conduct (with or without reasonable accommodation);
• Voluntary participation (Note: Recreation programs and activities are voluntary in nature. Participation will be encouraged and aided, but not forced.);
• Meeting necessary level of participation with or without reasonable accommodations (participant will engage in scheduled activities for the majority of the program time);
• Ability to use a consistent form of communication to indicate basic needs and follow simple directions; and
• Ability to function, with assistance, as a member of a group of 12 or more people.

WHAT SERVICES ARE NOT PART OF AN INCLUSIVE PROGRAM?
Inclusion services do not include the following:
• Provision of separate program activities
• Exception (with or without accommodations) to minimum compliance with program rules and regulations established for safety purposes.
• Hiring, selection, or guaranteed assignment of a specific staff member;
• Individualized therapy within a program; and
• Provision and/or purchase of personal custom devices.

IS AN INCLUSIVE RECREATION PROGRAM THE RIGHT CHOICE AND/OR EXPERIENCE?
Observe the program first-hand and ask yourself...
• If school-aged, do your child’s current classroom activities or goals prepare him/her for an inclusive recreation experience?
• Has the individual shown an interest in the program activity or subject matter?
• Is he/she comfortable and able to function appropriately, with or without assistance, in inclusive environments (malls, restaurants, parks, etc.)?

WHAT ARE THERAPEUTIC RECREATION PROGRAMS FOR INDIVIDUALS WITH DISABILITIES?
The Prince George’s County Department of Parks and Recreation offers alternative choices (for Prince George’s County residents only) through its provision of specialized therapeutic recreation activities for individuals with disabilities. Patrons have a wide range of abilities and special needs; some prefer and benefit from participating in specialized programs designed specifically for participants with disabilities. For program inquiries, please call the Special Programs Division at 301-446-3400 (voice) or TTY 301-699-2544. Program spaces are limited and available on a first-come first-serve basis.

For appropriate referrals related to eligibility requirements for inclusion services, contact the Park and Planning Help Desk at 301-699-CALL (2255), TTY 301-699-2544 or e-mail help@smartlink@gparks.com.
