The Train is a scaled, handcrafted replica of an original 1863 C.P. Huntington. The shiny black and red locomotive thrills young and old alike while winding its way through the woodlands offering a close-up view of Old Maryland Farm. Be on the look out for the "tree faces" along the way!

Miniature Golf Course will challenge your putt-putt skills. Bring family and friends to play on the greens of our 18-hole course.

The Historic Chesapeake Carousel is a turn of the century Dentzel, a historical treasure acquired from Chesapeake Beach in 1974. Children will thrill at the excitement of the hand-carved animals moving to the sound of merry-go-round music.
