

# DISABILITY SERVICES 50TH ANNIVERSARY GALA SPONSORSHIP OPPORTUNITIES

# ABOUT DISABILITY SERVICES

The Maryland-National Capital Park and Planning Commission (M-NCPPC), Department of Parks and Recreation, PrinceGeorge's County, Disability Services, is a nationally recognized leader in providing diverse and comprehensive therapeutic recreation programs, inclusion support services, and program accommodations to promote the full and active participation of the community in recreation programs of their choice. As a result, we are a two-time National Excellence in Inclusion Award Winner. The Department as a whole is recognized as having one of the best parks and recreation systems in the country with an unprecedented six gold medals for excellence from the National Recreation and Parks Association.

As part of its steadfast commitment to inclusive, and equitable access, a special services division was established in 1974, (16 years before the ADA law) to provide residents and visitors with disabilities choices for participation in our programs and services. For 50 years, the division has provided inclusive and innovative recreational opportunities, accommodations, training, and access through removing barriers to enrich the lives of our community members. We have, and continue to bring people together, provide essential services, and foster healthy living, equity, and environmental sustainability.

The 50th Anniversary Gala offers businesses a unique chance to support the disability community and connect with a nationally acclaimed government agency. As a sponsor, you can expand your client base to a diverse community of over 967,000 residents of Prince George's County and beyond.

Take advantage of this chance to improve your brand awareness and positively impact Prince George's County and the disability community. Our programs and services touch the lives of the community across all demographics in several niche markets including youth and families, seniors, veterans, working professionals, and more.

Please join us to celebrate this significant milestone on Thursday, December 19, 2024 for our 50th Anniversary Gala. This event is being held at Martin's Crosswinds, 7400 Greenway Center Drive
